Hello everyone and welcome to Edmonton for Coronation XXXIII, Medieval Madness – An Evening of Knaughty Knights, Damsels in Distress and Fire Breathing Dragons. I hope you all have a great time and enjoy yourselves.

What is the Imperial Sovereign Court of the Wild Rose (ISCWR)? Less than a year ago, I didn't even know the ISCWR existed. I have been part of the gay community for many years, going to the bars, dances and attending events during pride week. Every once in a while, I would see some Drag Queens around and never gave it another thought until last May, 2007.

Friends of mine had invited me to Edmonton's Coronation Ball. I knew that sometimes they dressed in drag, but I had never seen them in face (fully dressed in drag). I went to their hotel for the afternoon where the process began. I was absolutely astonished at the amount of work that went into dressing in drag, from make-up to hair, to corsets, gowns and stiletto heels. The transformation was amazing.

So off we went to the Coronation Ball, where there were many Drag Queens both from Edmonton and out of town – Vancouver, Winnipeg, Hamilton, Calgary, Surrey, Regina. Here they were to crown a new Empress for Edmonton. This

is where I learned about the ISCWR and all that was involved in this community.

And here I am, less than a year later, President of the Society. I was elected as President seven months after my introduction into the court system. Once I had learned what the court is all about, I knew it was something I wanted to support and promote. It is not an easy task. Believe me, there are many voices and many opinions and attitudes to deal with. But the focus has to be kept on the mission – raising funds for charities and supporting the gay community.

I have to say that being President has been very challenging, especially being voted in more than half way through the year. Trying to figure exactly what I was supposed to do, becoming very familiar with our bylaws, dealing with existing issues – my head was spinning there for a while, and quite honestly, still is. But so far I have endured with help from the rest of the Executive Board (I love you all) and from seeking advice from past Monarchs. Thank you all for your assistance. I have done the best that I can do and that is doing what is best for the court.

We have gone through and continue to go through many difficulties, but we try to resolve the issues as they arise. Has it made a difference? We will have to see at the end of the reigning year.

My vision is to promote the ISCWR. Inform the GLBTT and heterosexual communities of what we are about and get people involved in the court. I am sure there are people, who like me a year ago; don't even know the court exists. We have the ability to grow as a community, to build and support each other and assist those who need our help whether it is teens having difficulty coming out to raising money for AIDS research. I hope people will join the court and attend our meetings so we can accomplish our mission.

I invite each and every one of you to join the Imperial Sovereign Court of the Wild Rose and help us make a difference.

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

What can I say, the year has been fun minus a few rocky parts. The year has been quite the interesting one and one I will never forget. There is a lot of people I owe the thanks to.

Luca: You are my elected wife. You have been there for me through everything and have supported me with every decision. We have had our differences, our outbreaks but we always seem to go back to square one a true friendship.

LJ: You are the reason I am out this year. You are my father and one I am proud to call me as your own. You may have been a bit overbearing at times but it was all for the good. Road trips I will say will never be the same as long as your along for the ride.

Dee: You have always supported me and for that I am truly thank-full. We have had some good memories and some amazing laughs. I love you forever and will always have my support.

Lloyd and Tyler: You guys have become good friends and I have learned to lean on you for advice and support. This year would not have been the same without you. Tyler your sarcasm and comedy has been a inspiration of many times.

Mia: what can I say, we are family and I can see it every time we are out. I love you to death. Don't ever change. You have one of those smiles that has brightened up my year.

Toni: We have had a fun year, I got the chance to get to know you somewhat and I am sure there will be many other's. Keep smiling it looks good on you.

Southern and Saffyre: I suffered through Turnabout thanks to you guys. It was a hoot, luv you both.

There is a lot of other people I would like to thank as well but a half a page only gives me so much room. For all my supporter's and close friends who have had to put up with me and my court over the year a THANK-YOU

Good evening Monarchs, Ladies, Gentlemen, Friends and Family.

Welcome one and all to Edmonton's Coronation 2008. It's hard to believe it's that time again. Even though this may not have been one of my most visible years there are still many people to thank. The space allotted to me is far too small to thank you all individually, but those of you who know me know that the thank you's have been there all year.

HMISH Crown Princess XXXII Mia Fellow - My beautiful wife whom I love unconditionally. If you have been Mia'd (yes Mia is a verb as well as a noun), you understand the importance of unconditional love!!! Love will keep us together!!!!

HMISM's Empress XXXII Toni Lester and Regent Emperor Lloyd Blue-Em-All - You are both parents of mine and I know I always have your love and support and appreciate this very much.

Mr. X and DJ Duptux - You put up with me and still are! (But gentlemen, I have to put up with you too!!!) You have both given me strength and courage to keep going. Without you this year would have been near impossible. I can never thank either one of you enough. Love you both always and forever.

To the rest of the upper house - Your hard work have made this year the success it has been

Twigg - Double thank you to you since I didn't mention you in my last ball message a couple of years ago. So So So Sorry!!! You have been one of the people I look up to the most. Look out world because if you thought Twigg was/is a handful, here I come!

Jamal - We need you back. It's about time Jack and Jamal were on stage together again!

HMISM Empress XXXII of Calgary Nina Tron - I know you will do the family proud!!!

Matchbox Max and Mikayla Quinn - You will always have a special place in my heart. Thank you for your love and support.

'Ragile - You know who you are. So much fun to be around. I look forward to many more fun nights!!!

To the rest of the Calgary court, I always have an interesting time when visiting and trouble always seems to lurk around the corner! Can't trouble be so much fun though!

Hugs and kisses to everyone...muah!

What a crazy and memorable year it has been. Through all the ups and downs and goin' arounds, we still made it to the end. Here's to another year touched by the WPCC. Wherever we go, we are always remembered!!!

Regent Emperor to the 32nd Reign

Good Evening Ladies and Gentlemen, Fellow Monarchs, Visiting Dignitaries and Special Guests,

It is with great pleasure that I welcome you all to Coronation XXXIII in this wondrous city we call Edmonton. It has been an very interesting year filled with many joys as well as its hardships. There are always so many to thank, and should I fail to mention anyone please accept my apologies at this time.

As a Regent Monarch stepping in part way through the year, there were many Coronations that I would have normally attended, but did not make this year. Being in Wuzzieland and taking some time off was pleasant and peaceful, however I believe firmly in what this organization can do, thus I agreed to assist as Regent Emperor. I have however made some observations and want to comment before I move on to thanking friends.

I have seen so much this year and learned much as well. I believe one never stops learning, and this was certainly the case this year. We have had our ups and downs this year as does every year, but this year was one in which we could have achieved so much more had we been able to come together and work as a group. I openly admit that I have felt disappointed at times as well as proud of many people including myself. We should always question ourselves before we do anything, a few being; "would these words or actions bring someone down or build confidence in them? would these words or actions help or destroy the main objectives of this organization? would these words or actions build or destroy the community?" I challenge each and everyone of us to consider these questions on an ongoing basis. Remember with a strong community we can achieve much more.

I was only able to attend one Coronation which was Calgary. Due to work circumstances, I unfortunately wasn't able to attend Vancouver's as I had planned, my apologies to Glenn and Imelda. While at Calgary's coronation I feel privileged and honoured to have re-acquainted myself with many old friends, and make some new ones from Calgary and other places.

Calgary - Conrad and Lonnie, congrats and great year as well wonderful stepdown, it was spectacular time. Lonnie, it was so nice to take some time and visit, wish we could have had more, your an inspiration. Ashley and Nina congrats on achieving your aspirations to the throne, I'm more than willing to listen should you need to chat. Dyna and Wolfgang, pleasure as always, sorry I didn't get to get to your stepdown, I was so looking forward to it, but work got in the way. The two of you are a pair I admire greatly, both in your personal lives as well as E & E's. Makayla, you've been a friend for so long and it is always a treat to visit and party with you. I'm sure we will do more in time. Denise Derring, your a treat and you make me smile every time we meet. Rhonda and Wayne, the two I look up to on a regular basis - Thank you for your support and words of wisdom, and of course your friendship which means more than anything. Steve G - One guy I connect with every time we meet, your a real friend who always listens even when I ramble (LOL). Dion, Always an inspiration to me, wisdom and good looks all in one package. Thank you for being a smiling face in the crowd at all times, plus a friend always!

Other cities - Estee from Vancouver - Girl, your a real friend and someone I can always count on, you know what to say and when to say it. Luv ya!!!! Rose and Joanne from Surrey - Rose, your such a sweet doll and ray of sunshine, thank you for always being the one that can get me to smile. Joanne - your a treat and Rose is so lucky to have you. Robin Derring from Hamilton - always fun with you around, the room is never safe when your in it ...LOL...Luv Ya! Yada from that neighbourly province called SASK - Your always fun to be around, and it too bad we didn't get

Regent Emperor to the 32nd Reign

more time to just chill!

And now for **Edmonton** - With me only putting in approx. 6 months of reigning there are not as many to thank as I would normally have. To the Board members, you've held it together and its been a blast! Leah - you worked hard this year at so many things, I can't thank you enough. You'll always be my Empress and I appreciate all you've done. Chuck - (my daddy this year) Its been that kind of year and I have to thank you for listening as many times as you did (even when you didn't want to) LOL!!! Sundance - Good luck tonight, as I have told you many times, you can call anytime to vent or ask advice. Just let gramps have a rest here :-P Marni - Best of luck, you'll do well, that I'm sure of ... see you in wuzzieland. Cynthia from illusions - I always love ya, its always fun to have you around, thank you for your friendship. Elise - girl, we've been through a lot, and Thank you isn't enough. The only time I asked for help you came through and it was so appreciated. Luca DaTits - What was Krystal thinking? (hehehe) There are one thousand eight hundred ways I can think of to say thanks so what's one more! Jack Daniels - glad your working things through and getting back on track, keep it up! Yohko, your always so much fun, wish we could have had more time. Skippy Skool, what can I say boy, you've come along way and its been a pleasure working together, plus the partying! Tanya LaRac - I know what you mean by banging your head against a wall, keep your chin up. Thanks for all the work and effort, it was truly appreciated. LJ - You've proved yourself again, Always proud of you, and everything you attempt. Thanks for your friendship and support once again. Luv Ya and still dreaming ... LOL!!!! Dee Luv - I can't find the words, so Thanks will have to do! Mia - I'm thankful to call you a friend, you have always looked up to me and vice versa, I hope I made you as proud as you've made me!

To My Empress this year, Toni Lester. There is so much I want to say, but you already know the feelings in my heart. We've made it, and although we have both thought about just walking away many times we held each other together. Your a ROCK in a LOL! It truly has been a pleasure working with you. Your heart has been in the right place all year. You've had to work harder than many before you and I hope your as proud of yourself as I am of you. I only wish that I could have been as supportive in the first half of the year as I have been in the last half. We've grown into great friends and that alone is worth everything to me. Luv ya!

Last of all, and certainly not least is my husband, Tyler. Your support and strength has been what has got me through this year. You've seen me so frustrated and upset at times and yet you still made me smile, laugh and feel loved. I can't thank you enough for everything, you've stood up for me when you felt I was being attacked, you got my stuff together at the last minute as I scurried to get ready for a show. Having you in my life is the biggest blessing I could have ever asked for, (guess we can thank Dion for that) I'm truly thankful that your sharing your life with me and willing to share in my crazy life - kids and all! Thank you for loving me and allowing me to love you back, even when we are both not at our best! Love you forever!

In closing, I want to say its been a privilege and honor to have represented this city once again.

HAISSA The XXXII Elected Empress

Good evening Ladies & Gentlemen, fellow Monarchs & visiting dignitaries and friends. Welcome to Edmonton's XXXIII Coronation Ball. An Evening of **Medieval Madness, Knaughty Knights, Damsels in Distress & Fire Breathing Dragons**. ENJOY!

My adventure in becoming an Empress started with a desire to give something special back to my family – the Gay Community. I have been a part of Edmonton's gay community for 14 years, and have experienced the blessings and love of many people. It is because of this love that I felt it was time to give my love back to the community, so I challenged myself to become the best person I could and stepped up to the throne – so to speak! The road I have travelled this year has been a great adventure; the experiences and knowledge I have gained will forever have an impact on my life. Particularly all the wonderful friendships I have with people from all over this beautiful country.

REGINA: What a BLAST I had!! **Kricket Tyme De Bitch** and **Mitch De Bitch** part of my Lester Family, Sorry I slept through victory brunch, but I really did enjoy my first Out-of-Town Ball. Imperial Crown Princess XXXII—elected

Wow I had heard being in the ISCWR was a lot of work but I never expected it to be as hard as it has been as my year comes to a close. When I was first elected to the position of Imperial Crown Princess, I wanted to step down immediately and with the encouragement of friends and family (you know who you are) I thought about it and I did what I had to do for the organization. My work over the last year has made me realize that it is not about the crown but it is about the respect and dignity one can earn and more importantly about giving back to the community. Here I am 11 months later and I have thoroughly enjoyed my year, especially out of town. I have met a lot of wonderful people on the circuit and I would like to thank many whom I have met. If you do not see your name here it is not because I don't want to thank you but I have only been allotted so much space. I hope to spend time with each of you tonight and say my thank you's in person.

Calgary – where do I start. **The Would Twins** – thank you for showing me drag can be big and glamorous as well as casual and fun... you look great! **Roxy Ricochet** - Buca to you girl. **Argentina** –wherever you go you put a smile on peoples faces, let's keep in touch. **Dion** – you are a big supporter of the ICS and you keep me going with words of encouragement.

One day will you be my Emperor? Thanks for all your support and kind thoughts and the stolen moments here and there. **Sir Wayne** – thanks for being there for me, always a gentleman, all my love to you. Thanks for keeping it real. **Rhonda** – you are a saint and a huge support. Thanks for being there for me, now let's party. **Matchbox** – you are always a true person with a kind word for everyone and Neil Diamond rocks. **Lady Ashley** thank you for the command I am glad we met. If you need any help during your year just call. **Denise and Joe** – two great people who are wise beyond their years. **Dyna and Wolf** - thank you for everything you do, truly I look up to the examples you have set. **Lonnie** - (momma) again you have been fantastic, I am proud of you I hope you are there for me if I ever become Empress. **Daddy Twist** thank you for the honor of your last name and the present of my donkey. Now "Where's your donkey?"

Hamilton – **Monro** – thank you for your hospitality, you have done your city proud. I will be there for you in August. I have contacted the airlines and you are safe to fly!!! **Robin** – It was nice to meet you keep up the good work, thanks for opening up your house and for BINGO! **Robert George** – it was nice meeting you, look me up on Face book sometime handsome. **My pool bud in Calgary** – you know who you are....got suds yet? **Zelda** – I need a new pair of heels baby. **Tig** – you make great brunch.

Imperial Crown Princess XXXII—elected

Regina, you girls know how to party. **Roxy Diva** wow, a great inspiration thank you P.S. you look hot.....more sambuca!!! **Daniel** – you make the party happen just by your presence in the room. **Kricket** – you are another fun party girl!!

Surrey – **Rose Royce** – it is always nice to see you on the circuit. Thanks for keeping in touch with Rebeca. **Joanne** – you are a great person thanks for all your sacrifices.

Vancouver- **Imelda Mae** – wow your step down was fantastic but I am hiding all the knives from now on when we are out together. **Jaylene** – you never cease to amaze me, thanks for the hot tip on eyelashes. It has been my honour and I hope you are here tonight. **Amanda** – Thanks for the name sister!!!! I wear it with honour. P.S. are you a bottom yet?

And to my home town Edmonton, thank you to everyone who has taken me in, under their wing and supported me. **Staff of the Roost** – although you are gone you will always be remembered, thanks for your support. **Jim, Ross and Boots** – always good for a laugh and a cocktail, many thanks to you for your support of me in good times and bad. Thank you for opening your doors for me and allowing me to perform and to fundraise. **Elise** – it would have been nice to see you more, sorry we have lost touch. **Chuck and Dale** – always a pair, always coordinated thanks for your support. To **all my acquaintances** who I know but don't really know thank you for always treating me well, with respect and support. **Vanity, Binki, Ethyl and Chanelta** – you gurls are a great inspiration to me and I look up to you always. Fabulous entertainers. **Chris** – now maybe Luca will let you come and watch wrestling. **Luca** – thank you for your continued friendship. **Big Daddy Pump** – I have a special place for you in my heart. I am glad we have met and I hope our friendship continues for a long time. **Barry and Dale (Kelsey and Ivanna)** – I know there have been ups and downs but maybe we can start the next year with a clean slate. To **The Upper House** thank you to those who supported me and my efforts and thank you to those who also supported the organization. **L. J. Steele** – thank you from the bottom of my heart. Thank you for being beside me, not behind me or in front of me. We did some good things and we did them together. **Marni** – I am so glad that I met you and we have become close friends I hope the friendship continues to grow in the years to come. Love to your family (Laurina and Alex and thank them for lending you to the ISCW). I hope you are successful in your bid for Empress and you can count on me for support. **Muffy** – The greatest Fag Hag a Princess could have. I am glad we met; I hope we can continue to be friends. Congratulations to both you and Wayne. PS. I wanna be a bridesmaid. I promise not to have hair bigger than you. **Duanne** – Where to start. First of all beat up the big guy for me. There is pinning, cutting, beading, stitching and none of it done by me, but standing in those heels for hours on end and then expecting me to walk like a lady while posing in your basement all add up to great memories. Thank you for making me sparkle and shine at all the Coronations and events. From the deepest of my heart, thank you very very much. Last but not least to my “**kooch**” – If it wasn't for you I wouldn't be here being the best princess I could be. Thank you for your help and support. And who says that two drag queens can't live together.... Well if you would just keep your side of the bed clean. You have inspired me since I first met you and although I begged you to come out of retirement I wouldn't change a moment of it. Thank you.

I would just like to send out a big THANK YOU to everyone who was involved this year with the 32nd house! This year was my first year involved with the community and my first time EVER involved with such an amazing organization like this one. I have to admit there were alot of ups and downs, but there were also alot of fun times had, and alot of friends made along this journey and I would never change that. I was able to learn new experiences and this also enabled myself to find a little part of me I had no idea was there!

Dee - Girl, you are amazing, and you have shown to me going all the way back what a true friend is and I am so happy and lucky to of met someone so true to themself and you've taught me to stand up to alot of things.... I wouldn't be the person I am today without you, and to that, I thank you, and hope there are a lot more good times ahead of us, I LOVE YOU!

Leah - What can I say, you are one of a kind! I have to admit, there were and there still are a lot of times when I find it hard to read you and that is what makes you who you are! Thank you for all of your support and mentoring through out this past year, thank you for doing my hair, lending me jewellery and outfits! You are and will always be in my heart!

LJ - You were the one who pushed me out there into my first performance for turnabout in 2007 and it was something that scared me but being out on that stage made me feel like a brand new person... reborn! We have had ALOT of good times together, and I am so glad you have came into my life!

Skippy - You were also new to this and well what can I say.. we made an awesome team! We taught each other things we didn't

know and some things we experienced on our own, but truth be told our friendship and bond grew and I couldn't think of someone better to share the title of Mr. & Mz Gay with!

Lloyd - You were the first person to introduce me into this new lifestyle that has changed my life completely.. I wouldn't take any bit of it back! Thank you!

Christopher - You and I have spent time together since the first day we met and you were the only boyfriend I've ever had that has not had a problem with this part of my life! I am glad to have gotten to know you and I'm looking forward to spending the rest of my life with you... you are my heart and soul, the one thing that keeps me sane LOL, your are more then just my partner but you are my best friend I've ever had! I love you sooooo much!

There were sooooo many others that I have to thank for so much of their support and with that said there will always be a place of you in my heart! This year has taught me who I am and who my true friends are, and not only that but so so much more. I had a blast and I look forward to possibly many more to come!

Good Evening, Ladies and Gentlemen!

Welcome to the Big Onion and home of Canada's Wildest Party Children. It is our extreme pleasure to be your host for this weekend.

I do not know how to express my thanks and gratitude to a city as wonderful as Edmonton. You have always treated me with great kindness and respect. I am so honored and privileged by your warm regards and respect. It has been my pleasure to be a part of our Court system, from its early conception to some of our latter years. The friendships I have made over the past thirty years have greatly enhanced my life.

To those people who put me together...thank-you...those of you who tell me to "Show-up, Shut-up, and Sit Down"...

Twiggy - I cannot even begin to express my thanks and gratitude to you. Your time and talents truly "transform" me into Chatty. Thank-you just doesn't seem to be enough. You know what I'm saying...sambuca's later!

Hani - Thank-you, thank-you for my fabulous gown this evening. You have out-done yourself. I sincerely appreciate your hard work and skills.

Rae - Thank-you for making my wig my "crowning glory". I appreciate the "do" you did for me.

Boots - Jim and Rae - Thank-you for the kindness and support you have given me. You are special men, I appreciate our laughs and triumphs.

Leah - Thank-you for always stepping up to the plate. Your services have been invaluable - we all appreciate that.

Jim - Thanks for escorting me tonight and for years of laughter. I am so honored to share this evening with my dear friend Hoople, who celebrates her triple decade as Imperial Crown Princess II. We started out with shag wigs and store bought gowns...I think we've come a long way, baby!

We thank you and remain:

Imperial Crown Princess II
